

## SCHOOL BASED WORKPLACE PROGRAMS

# AHC20416 Certificate II Horticulture (Release 3)

National Food Institute provides training in AHC20416 - Certificate II Horticulture to new workers within a School based Traineeship. Students enrolling in this program who have a disability maybe be eligible to receive funding for Disabled Australian Apprentice Wage Support (DAAWS). This funding allows for the provision of tutorial and mentoring support to students. Where eligible, training is delivered with Victorian and Commonwealth Government funding.

### QUALIFICATION DESCRIPTION:

This qualification underpins a range of work functions and job roles that can lead to a horticultural trade qualification. It is applied in supervised environments where the work is predictable with some basic problem-solving requirements. It involves a range of tasks involving known routines and procedures and taking some accountability for the quality of work outcomes. This course helps create confident, efficient, skilled operators in the horticulture areas. Job roles may include: Horticulture worker, Horticulture assistant.

### We achieve results by ensuring that our training programs are:

- Flexible, innovative, current practice, interesting and engaging
- Driven by workplace outcomes

### DELIVERY & DURATION:

- Workplace-based delivery over 12 months
- Practical hands on application to support learning.
- Our Trainer/Assessor is in the workplace
- Students undertake classroom training in theory and practical observation.

### COURSE FEES:

School-based Traineeships are endorsed by your School and signed up as an eligible trainee by an Australian Apprenticeship Support Network. Student Fees for this program are \$1770.00 or \$354.00 if you are the holder of a valid concession card. In most cases these fees are paid on your behalf by your Employer, please enquire if this will apply for your workplace.
